The Investor Shares in the Sub-Fund carry the right to one (1) vote per share at general meetings of the Company. The Investor Shares entitle Shareholders to participate in the movements, both positive and negative, in the value of the assets of the Sub-Fund as well as the receipt of dividends as set out hereunder.

The Founder Shares do not (for so long as there are any Investor Shares in the Company in issue) carry the right vote at general meetings of the Company but they have (together with the Board) the exclusive right to nominate Directors as eligible for appointment by the Company in general meeting. The Founder Shares do not carry a right to participate in any dividends or other distributions of the Company or in the assets of the Company on a winding up (other than to the surplus, if any, that may remain after payment of all amounts due to creditors and holders of the Investor Shares).

Share Capital and Accounts

All amounts received by the Company on the issue of Investor Shares, initially and subsequently, will be credited as share capital of the Company and will form part of the NAV of the Sub-Fund. Separate accounts are kept for the assets of the Sub-Fund.

Access to information

Such information and reporting may provide the recipient greater insights into the Company and the Sub-Fund's activities than is included in standard reports to Shareholders, thereby enhancing the recipient's ability to make investment decisions with respect to the Company and the Sub-Funds and with respect to the investment of its own assets.
